Immediate Release

Second Presumptive Positive COVID-19 Case in Iron County Confirmed by Dickinson-Iron District Health Department

Iron River, Michigan – June 5, 2020. The Dickinson-Iron District Health Department has been notified of a second presumptive positive COVID-19 case in Iron County.

The person is identified as an adult male. This case is not related to the first presumptive positive case reported earlier this week. The Dickinson-Iron District Health Department is working on notifying those who may have been in close contact. The Dickinson-Iron District Health Department will not be disclosing additional information about the individual.

COVID-19 symptoms may appear in as few as two days or as long as 14 days after exposure to the virus. Symptoms include cough, fever/chills, sore throat, shortness of breath, unusual headache, nausea or vomiting, extreme fatigue, and loss of smell and/or taste.

To prevent the spread of COVID-19, people should wash their hands, stay home when sick, avoid close contact with sick people, and disinfect commonly touched surfaces. People are encouraged to social distance when possible, or consider wearing a facemask.
