**\*\*Second doses will be administered Wednesday, December 1<sup>st</sup>\*\***

COVID vaccinations have been proven safe and effective for anyone 5 years of age and older. They help prevent severe illness, hospitalization, and death. For those individuals who are fully vaccinated, it is more likely you will experience a milder or shorter illness compared to those who are unvaccinated.

There is no cost for COVID vaccinations.

-MORE-

For those individuals with access to the internet, consent forms for COVID-19 are available at [didhd.org](http://didhd.org). Please print and fill out a consent form prior to arriving at your appointment; this will help keep the clinic flow moving. For those who are unable, there will be consents available at time of check in.

For more information visit [www.cdc.gov](http://www.cdc.gov) or contact the Health Department at (906) 774-1868 or (906) 265-9913.
