Potential COVID-19 Site Exposures for Dickinson County

Dickinson County, MI - The Dickinson-Iron District Health Department (DIDHD) has identified a location visited by individual who later tested positive for COVID-19. Local residents visiting this location may be at a higher risk for exposure if larger crowds were present and masking and social distancing guidelines were not consistently followed. The location was:

Mayme's Bar

114 East Brown Street, Iron Mountain.

Exposure date was Friday, July 17, 2020 between the hours of 8:30 p.m. and 1:30 a.m.

The health department is advising people that exposure could have occurred at this site listed above during the specified date and time listed. Depending on the length of exposure, you may be at higher risk for contracting COVID-19. Symptoms will typically appear within 2 to 14 days of the exposure.

We ask that if you visited the site, or have had close contact with someone who visited the site, and have or develop symptoms such as cough, fever, or shortness of breath that you call your healthcare provider and inform them of any potential exposure. For general information, please call our Dickinson County office at 906-774-1868.

If your symptoms worsen to the point of needing emergency care, please call 911 and notify the dispatcher of your symptoms or any potential exposure.
